Walk for Autism Las Vegas 2010

Grant a Gift Autism Foundation is a non-profit scholarship fund helping friends on the Spectrum fight Autism through the Diagnostic, Support Service, and Community Outreach Connection, by providing autism diagnostic scholarships, support service scholarships and gifts to children living on the autism spectrum and their families who care for them. Our goal is to enhance each child's development while improving their quality of life and promoting a lifetime of inclusion in the community. We will connect our families to local licensed and certified healthcare providers and therapists, experienced advocates, non-profit ASD support organizations and governmental agencies and provide the scholarships to obtain services.
