

Sib Group Info and Schedule

Grant A Gift Autism Foundation is partnering with P.A.L.S. Learning Center to support typically developing siblings of children diagnosed with an autism spectrum disorder from 1st-12th grade. There will be three different groups for Elementary, Middle School, and High School. The program's goal is to serve as a support system and learning experience to improve the well being of these siblings through monthly workshops and social outings. This program has limited availability. Please contact Lynda Tache at Grant A Gift Autism Foundation for enrollment and/or questions regarding this program at info@GrantAGiftAutismFoundation.org.

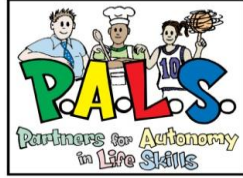

Areas the Sib Shop will address:

*Understanding of autism spectrum disorders
Assumed responsibility of the sibling
Resentment*

*Lack of attention
Embarrassment
Appreciation for the sibling*
